darktable - Bug #10100

Collecting by folder finds too many files

09/06/2014 11:29 AM - Torsten Bronger

Status:	Fixed		**Start date:**	09/06/2014
Priority:	Low		**Due date:**	
Assignee:	Aldric Renaudin		**% Done:**	100%
Category:	Lighttable		**Estimated time:**	0.00 hour
Target version:	2.4.0			
Affected Version:	git development version		**bitness:**	64-bit
System:	all		**hardware architecture:**	amd64/x86

Description

I have two directories,

```
/home/bronger/raws/test
/home/bronger/raws/test2
```

If I collect images by "folders", and click on /home/bronger/raws/test, DT collects all images from "test" and "test2", apparently, because it includes all paths *beginning with* /home/bronger/raws/test instead of *beging equal with*.

Apologies if this is desired behaviour and I simply haven't found the old bug report; I didn't find good search keywords ...

  collection: fix query string for folders

History

#1 - 09/11/2014 11:13 AM - Tobias Ellinghaus

- Status changed from New to Triaged

- % Done changed from 0 to 20

- System changed from Ubuntu to all

That is definitely not intended behaviour.

#2 - 10/05/2014 11:30 PM - Fernando R

I'm trying to reproduce this issue with no luck.

I've tried with both today's git version (commit 3465729b...24ea1) and a version from a bit more than one month ago (when this issue was reported) (commit 6a04f115...65df4).

Can you check if this still happens? Which specific version are you using?

#3 - 10/05/2014 11:40 PM - Aldric Renaudin

- Status changed from Triaged to In Progress

- % Done changed from 20 to 50

- Assignee set to Aldric Renaudin

Strange that you can't reproduce.
It's definitely a bug. (wildcards are added to the db request)
I'm currently rework the collect module, and I've fixed it.
Not pushed in master yet, but you can try the collect_rework branch in main repo

#4 - 10/06/2014 12:45 AM - Fernando R

Then there's something wrong I must be doing. In any case, if you are already taking care of this, I'll go and find some other bug :)

#5 - 03/13/2017 08:10 PM - Roman Lebedev

- Related to Bug #11001: collecting images from similar folders added

#6 - 03/13/2017 09:04 PM - Roman Lebedev

- Status changed from In Progress to Fixed

- % Done changed from 50 to 100

Applied in changeset darktable|118be6dbba99d6e3f0078f88e9a26eb2ca69b339.

#7 - 04/18/2017 11:02 AM - Roman Lebedev

- Target version set to 2.4.0
