

darktable - Camera Support #12084

Canon G1x mk III Raw support

03/16/2018 07:30 AM - P Orlandini

Status:	Fixed	Start date:	03/16/2018
Priority:	Low	Due date:	
Assignee:	Roman Lebedev	% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:	2.6.0		
Affected Version:	git master branch		

Description

I uploaded Canon powershot G1X iii raw sample on raw.pixls.us
I can send any other sample needed for the support of that great camera
Thank you !

Thanks!

I can send any other sample needed for the support of that great camera
Thank you !

Please take one slightly overexposed (especially at the image perimeter) shot per each and every ISO level (including expanded ISO, and sub-ISO)

that could possibly be set in the camera, pack that into tar/zip,
and upload somewhere (dropbox? **NOT** to raw.pixls.us)
The content does not matter.

I'll take it from there.
