Fix #12165: Don't try to show dialog without gui

There are some other instances where we try to show the dialog (when opening the db failed) but those need a little more thought when fixing.

Target version is wrong above but I lack permissions to change it- affects stable versions as well as installed through default pacman version.

#2 - 05/03/2018 08:00 AM - Matthew Halbert

To reproduce this bug, I am using a 16-bit tif that is 800+ mb in size as input.
