| Hello,  |                                  |
| Here is the noise profile for the Panasonic DC-GX9.   |                                  |
| The whitebalance presets will be added in <a href="https://github.com/darktable-org/darktable/pull/1718">https://github.com/darktable-org/darktable/pull/1718</a> and i don't own a color target, so i can't upload any color matrix. |                                  |
