- Description updated

- Subject changed from Pas d'accès à l'onglet cartographie dans 2.6.0rc2 to No access to map view in 2.6.0rc2

#2 - 12/16/2018 04:36 PM - Pascal Obry

I suppose this should be reported to the Mint maintainers as there is nothing dt can do about this.

The issue is that the Mint build is done without the proper libraries installed to have the map view supported.

#3 - 12/16/2018 05:10 PM - Daniel Pascot

I will test on mint 18 and then report to Mint maintainers

#4 - 12/16/2018 06:37 PM - Daniel Pascot

I noticed that also I cannot access to the print module
submitted to the mint forum <https://forums.linuxmint.com/viewtopic.php?f=47&t=283618>

#5 - 12/16/2018 11:27 PM - Pascal Obry

- Status changed from New to Closed: upstream

Perfect, then closing here. Thanks.
