

darktable - Bug #12605

Preview with focus check is totally broken

02/20/2019 06:06 PM - Mikael Puhakka

Status:	New	Start date:	02/20/2019
Priority:	Low	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		bitness:	64-bit
Affected Version:	2.4.4	hardware architecture:	amd64/x86
System:	other GNU/Linux		

Description

Affected version: 2.6.0 (installed/built from gentoo portage)

I noticed the focus check is not working correctly in 2.6.0 while it used to, in 2.2 or so. This is how the preview looks (in both cases I used C-z). It doesn't show anything for all DNG files and also the incorrect spots are the same in every JPEG I tested.
