

darktable - Feature #8433

Add a "save preset" to collection plugin

01/26/2011 11:38 PM - Anonymous

Status:	Fixed	Start date:	
Priority:	Low	Due date:	
Assignee:	Henrik Andersson	% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:	0.9	bitness:	64-bit
Affected Version:		hardware architecture:	amd64/x86
System:			
Description			
Collection plugin could use "save preset" feature too. I could leave my organizational work in one preset and return to it when ever I have the time			

History

#1 - 06/10/2011 11:34 PM - Henrik Andersson

- Status changed from New to In Progress

Added initial support for storing preset for the collection module.

next step is to:

add initial preset that matches the filtering combo in top toolbar,
then replace hardcoded entries in filter with stored collection preset.

#2 - 06/25/2011 08:34 PM - Simon Spannagel

- Status changed from In Progress to Fixed
