

darktable - Bug #9856

Visiting a collection doesn't show thumbs from the beginning

03/18/2014 06:08 PM - Torsten Bronger

Status:	New	Start date:	03/18/2014
Priority:	Low	Due date:	
Assignee:		% Done:	0%
Category:	Lighttable	Estimated time:	0.00 hour
Target version:			
Affected Version:	git development version	bitness:	64-bit
System:	Ubuntu	hardware architecture:	amd64/x86

Description

When I collect images, the displayed set of images in lighttable mode does not always start with the very first image of the collection. Instead, you may have to scroll up with e.g. the mouse wheel to see further images.
